Subject: Skills class name?

I've just been told that next year I'm teaching a 6th grade Unified Arts
class. I've done this in the past and it was called Study Skills, but I've
been told it needs a different name. I'm planning to incorporate the KAS
Library standards and Tech standards. Any ideas for a new name?

Subject: Re: book collection cart/bin on wheels

CAUTION: External Sender

I have tried several methods (rolling milk crates, purchased small shopping carts) but what I do now is by far the easiest.

I used to collect books in the morning before the classes started coming in (like you said you do), but without an assistant that was just too much. So I sacrificed some class time and have them bring the books when they come to class. They line up and I scan the books and I tell them where to put the books. (This also helps because I'm not inundated with huge stacks of books the first thing in the morning.)

For k-2 they put their books in the bins depending on the author's last name.

[IMG_4290.JPG]

For grades 3-5 I have them put them on a certain side of the cart depending on fiction or nonfiction.

[IMG_4291.JPG]

This has helped me so much! I wish I had done this from the beginning. This method also makes it super fast to reshelve the books because they are already (sort of) presorted. I also encourage students to chose library books from the cart. 🤖 Sometimes I even give them a Dojo point if they do. 🤖 They are the most popular books anyway.

Hope this helps!

CAUTION: External Sender

At KYSTE, I was in a session where they showed us a website that had like calming videos or quotes. It filled the entire screen. You could click the arrow and go to the next one. No matter how I search, I cannot find that, and I apparently didn't put it in my notes. Does anyone know what I'm talking about or have a website suggestion that's calming or soothing?

Subject: Freedom to Read Statement & Advocacy

Hi, Fellow KY Librarians,

As we are winding up the year and your brain is swirling with all of the things you have to do, you may be wondering what you can do to help advocate for your library and your scholars' Freedom to Read<<https://nam04.safelinks.protection.outlook.com/?url=https%3A%2F%2Fdrive.google.com%2Ffile%2Fd%2F1dmSpwBVyXa6sGdnw5TbiXGdbakL60W2f%2Fview&data=05%7C01%7CKYLM%40LSV.UKY.EDU%7C192a1b31e2c44fb408f608db466a0c9c%7C2b30530b69b64457b818481cb53d42ae%7C0%7C0%7C638181193506817075%7CUnknown%7CTWFPbGZsb3d8eyJWJoiMC4wLjAwMDAiLCJQljoIv2luMzliLCJBTiI6Ikt1haWwiLCJXVCi6Mn0%3D%7C3000%7C%7C%7C&sdata=8%2F6Cp572UjhKfSypgZMDXvcTXAl%2B43hFSbZuJWOQ6U%3D&reserved=0>>. One simple thing is to send an email or letter to your principal, SBDM councils, superintendent, board member, or other interested parties. Coming up with such a letter is a difficult task when you are so passionate about your job, your scholars' rights, and as you are trying to finish up the 99 thousand things on your end-of-year plate.

The Kentucky Association of School Librarians (KASL) has you covered. Thanks to Al and a fabulous group of advocacy committee members, we have a draft letter for you to edit and send to your constituents to help share our Freedom to Read Statement<<https://nam04.safelinks.protection.outlook.com/?url=https%3A%2F%2Fdocs.google.com%2Fdocument%2Fd%2F1pgb1AGawYyofURcz4oYY2H7FizHzHFN0L22tygOtE14%2Fcopy&data=05%7C01%7CKYLM%40LSV.UKY.EDU%7C192a1b31e2c44fb408f608db466a0c9c%7C2b30530b69b64457b818481cb53d42ae%7C0%7C0%7C638181193506817075%7CUnknown%7CTWFPbGZsb3d8eyJWJoiMC4wLjAwMDAiLCJQljoIv2luMzliLCJBTiI6Ikt1haWwiLCJXVCi6Mn0%3D%7C3000%7C%7C%7C&sdata=nafRrKe6Yf50L5hQQNxo3Fe5HCU%2FFnl0N9eMobOw8Q%3D&reserved=0>>, as well as on our webpage under Intellectual Freedom<[https://nam04.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.kasl.us%2Fadvocacy&data=05%7C01%7CKYLM%40LSV.UKY.EDU%7C192a1b31e2c44fb408f608db466a0c9c%7C2b30530b69b64457b818481cb53d42ae%7C0%7C0%7C638181193506817075%7CUnknown%7CTWFPbGZsb3d8eyJWJoiMC4wLjAwMDAiLCJQljoIv2luMzliLCJBTiI6Ikt1haWwiLCJXVCi6Mn0%3D%7C3000%7C%7C%7C&sdata=W4VeL8JCWKN1LStDXqAgLd1tZuHGH2o7YaIEwLnZWE%3D&reserved=0](https://nam04.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.kasl.us%2Fintellectual-freedom&data=05%7C01%7CKYLM%40LSV.UKY.EDU%7C192a1b31e2c44fb408f608db466a0c9c%7C2b30530b69b64457b818481cb53d42ae%7C0%7C0%7C638181193506817075%7CUnknown%7CTWFPbGZsb3d8eyJWJoiMC4wLjAwMDAiLCJQljoIv2luMzliLCJBTiI6Ikt1haWwiLCJXVCi6Mn0%3D%7C3000%7C%7C%7C&sdata=Qel8cJM3sk4hoO8RQmJrG6ACSGzlc10LoZpRO97CmgE%3D&reserved=0)>. here<<https://nam04.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.kasl.us%2Fadvocacy&data=05%7C01%7CKYLM%40LSV.UKY.EDU%7C192a1b31e2c44fb408f608db466a0c9c%7C2b30530b69b64457b818481cb53d42ae%7C0%7C0%7C638181193506817075%7CUnknown%7CTWFPbGZsb3d8eyJWJoiMC4wLjAwMDAiLCJQljoIv2luMzliLCJBTiI6Ikt1haWwiLCJXVCi6Mn0%3D%7C3000%7C%7C%7C&sdata=W4VeL8JCWKN1LStDXqAgLd1tZuHGH2o7YaIEwLnZWE%3D&reserved=0>> and Advocacy<<https://nam04.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.kasl.us%2Fadvocacy&data=05%7C01%7CKYLM%40LSV.UKY.EDU%7C192a1b31e2c44fb408f608db466a0c9c%7C2b30530b69b64457b818481cb53d42ae%7C0%7C0%7C638181193506817075%7CUnknown%7CTWFPbGZsb3d8eyJWJoiMC4wLjAwMDAiLCJQljoIv2luMzliLCJBTiI6Ikt1haWwiLCJXVCi6Mn0%3D%7C3000%7C%7C%7C&sdata=W4VeL8JCWKN1LStDXqAgLd1tZuHGH2o7YaIEwLnZWE%3D&reserved=0>>.

Good afternoon,

We are moving to block scheduling next year, so we have added a number of electives to our schedule options. Our English department has added a Topics in Literature course, and we are currently creating the curriculum from scratch.

Are any of you at schools where a course like that is taught? If so, could you send me a general list of topics that are discussed in the course?

Thank you!

What program does your school use to promote reading? Scholastic Reading Counts, Accelerated Reader, Book Taco??? Our school is searching for a program to be added for next year. We've used SRC in the past but wasn't sure what all was out there 🤔

Amanda, my response isn't directed at you or a judgment. Regardless of what your school decides, I do hope you get some first-hand information and experiences from other school librarians.

Another option is something like Donalyn Miller's 40-Book Challenge. You can read more about that here:

I know AR and things like it can be a divisive topic. Like everything, it probably does work for some depending on various implementation factors. For me, a big one is the labeling of both books and kids. Regardless of your school's decision, this AASL Position Statement on Labeling Practices<https://nam04.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.ala.org%2Ffaas%2Fsites%2Fala.org.aas%2Ffiles%2Fcontent%2Fadvocacy%2Fstatements%2Fdocs%2FAASL_Labeling_Practices_Position_Statement_2021a.pdf&data=05%7C01%7CKYLMS%40LSV.UKY.EDU%7Cdf97daae8d6b4dd0b83508db46b9540d%7C2b30530b69b64457b818481cb53d42ae%7C0%7C0%7C638181535291876041%7CUnknown%7CTWFPbGZsb3d8eyJWljoimC4wLjAwMDAiLCJQJljoiv2luMzliLCJBTil6lk1haWwiLCJXVCiMn0%3D%7C3000%7C%7C%7C&sdata=hbt541%2B3iKYhyax7yzOK8speTstBUCV0liS0BWuSM48%3D&reserved=0> might be helpful. Anecdotally... My first school, as a teacher librarian, used Accelerated Reader. I advocated that we end it after my first year. (2003-ish)
Here are the reasons I gave the principal and SBDM:

- * Some students, depending on their teacher, were not allowed to choose books that were not in their small "level range." (This part was rough. I saw deflated, disappointed, and disinterested students every single day because of this.)
- * It was expensive
- * Books without a quiz were not valued
- * Students would take quizzes without really reading the book
- * As the librarian/school technology coordinator, I was expected to maintain the system, enrollments, classes, reports, etc.
- * I'm not sure if it is still the same, but the STAR assessment results would fluctuate widely for some kids throughout the year

These were just the top reasons that still live in my memory. There were serious concerns from teachers when we decided to end it. "How will we know if the kids are reading?" "How will we know their reading level?" and more... Everything totally worked out. I truly believe our school reading culture ultimately improved compared to the AR era.

Regardless of what your school decides, I'm glad you are involved in the conversation!!!

We're on our third year of our NPossible Book Challenge. We struggled to
kind of get started over the first two year, but this year the kids are
PUMPED and asking about next year already. We use Google Looker Studio and
Google Forms to track everything. Students set their own goal and log
books. For next year, we have already come up with a way for teachers to
keep track in their classrooms.

Here is our presentation from KySTE if you want to take a look

Hello,

Thanks so much for getting in contact with me. Our teachers do a really good job of making sure library books get back to the library if they are found in the classroom and around this time of year, they usually do a locker/desk/shelf search and we get quite a few books back. I also double check the library shelf where the book should live (I did this morning) to make sure they aren't there.

Lost books do happen unfortunately. This title (Giraffes) is 23.82. If you are able to pay in cash, I can refund your money if the book is found and turned in by the end of the year. It is much more difficult to do so if you pay in check.

Thank you so much for your support. If the book does get turned in, I will let you know.

I understand that Khaleesia has not turned in her library book titled Giraffes, it is not at home. She states she has looked at school. I have notified her homeroom teacher and since I have received another notice I can only assume it has not been found. I am sure she/we are responsible for the cost of the lost book, so I will need to know what the amount to be paid is. Thank you, and I am sorry that this has happened, I have encouraged her to look carefully at school for this item. We have a specific guideline and area for all school materials at home and her backpack is checked daily. I have also just in case, searched my house and bookcases multiple times and the book is not here.

Thank you, just please let me know how much I owe the school by the end of the school year.

Thank you, just please let me know how much I owe the school by the end of the school year.

Hello,

Thanks so much for getting in contact with me. Our teachers do a really good job of making sure library books get back to the library if they are found in the classroom and around this time of year, they usually do a locker/desk/shelf search and we get quite a few books back. I also double check the library shelf where the book should live (I did this morning) to make sure they aren't there.

Lost books do happen unfortunately. This title (Giraffes) is 23.82. If you are able to pay in cash, I can refund your money if the book is found and turned in by the end of the year. It is much more difficult to do so if you pay in check.

Thank you so much for your support. If the book does get turned in, I will let you know.

Hello Mrs. Padgett,

Austin came home and told me that he got a notice for missing library books and The Troll's toe cheese he has turned in but the HP Chamber of Secrets he says, he KNOWS he turned it in. He said he put it in the red box that it normally goes in and he forgot that he was supposed to scan it. He said this was a couple weeks ago. So, he's positive it's been turned in. Can you double check to make sure?

Thanks,

Subject: 2023 Legislative Session Summary
Date: May 4, 2023 at 2:26 PM
To: danielle.padgett@boyle.kyschools.us

Volume 10 | May 3, 2023

Dear KASC Members,

The statements below summarize the 2023 legislative changes that may impact school councils. The actual bills and all the laws are available from the Legislative Research Commission, www.lrc.ky.gov. New laws take effect June 29, 2023, except bills with an emergency* clause that became effective immediately. The Kentucky Department of Education has issued [guidance for bills that have an emergency clause](#). We expect KDE to issue guidance on other new 2023 school laws within the next month and we will share that information via email.

In this announcement we will share...

1. Laws that impact SBDM Councils
2. Laws that are FYI for schools
3. Other Laws

LAWS THAT IMPACT SBDM COUNCILS

SB 5 Challenges to school materials Emergency*

Requires local school boards adopt policies addressing parent complaints that school materials are “harmful to minors”; requires the principal determine whether the school material is harmful to minors and should be removed or restricted; provides the parent may appeal to the local school board; if the material is allowed in the school the parent may request that the school ensure that their child not have access to the challenged material. KDE issued guidance and KDE/KSBA sample policy. Local school boards must adopt their policy by July 1, 2023. School councils need to review any SBDM policies on challenges to instructional materials (if they have them) and ensure alignment with district policies.

KDE/KSBA Complaint Resolution Process

KDE/KSBA Complaint Resolution Policy

SB 5 Supplemental Guidance

SB 150 Parents Rights, Pronouns, Sexuality Curriculum, Bathrooms Emergency*

KDE has issued guidance on SB 150 and noted that this new law has provisions that may conflict with federal laws on student privacy and urges school districts to work with their local legal counsel. School Councils should consider waiting for their school board to amend board policies before amending SBDM policies on these privacy issues. This law has four main areas that impact public schools:

- 1) Information regarding a student may not be kept confidential from the parent except in rare cases of abuse;
- 2) No government entity shall require or recommend that school personnel or students use pronouns for students that do not conform to that particular student's biological sex;
- 3) Schools now have restrictions and responsibilities regarding teaching human sexuality curriculum. Districts and schools will need to review current courses, programming, instructional resources and learning experiences to ensure compliance including, but not limited to, health education curriculum, Advanced Placement coursework, dual credit courses and extracurricular activities. If a curriculum for human sexuality or sexually transmitted diseases has been adopted, instruction shall include a policy to respect parent rights; and
- 4) Local board must enact policies prohibiting students from using restrooms and locker rooms that are reserved for students of a different biological sex and students

locker rooms that are reserved for students of a different biological sex and students shall be provided the best available accommodations.

The final section of the bill makes it unlawful for health care providers to prescribe gender affirming medications or surgeries.

SB 156 Requires Local Comprehensive Reading Program

Requires KDE to select a statewide reading research center through a competitive proposal process to support educators in implementing reliable, replicable evidence-based reading programs and to promote literacy development. Requires the local superintendent to adopt a common comprehensive reading program from a list approved by KDE. Sections 1-9 of the bill take effect July 1, 2024.

HB 538 Student Discipline

Requires a local board of education to expel a student for at least 12 months if the student makes threats that pose a danger to other students or staff; requires a local board adopt a policy requiring disciplinary actions for a student who assaults other students or staff off campus property; allows a local school board to place a student in an alternative education setting in lieu of expulsion, or at the end of an expulsion; allows a principal to establish procedures to remove a disruptive student from the classroom; provide that a student who is removed from a classroom three times in 30 days shall be considered chronically disruptive and may be suspended; provides that a principal may permanently remove a disruptive student from a classroom and determine the placement of the student, subject to an appeal process; alternative placements may include virtual setting; require a local board conduct a review to determine if a student's expulsion shall continue or end; requires the provisions of this bill be included in the local board code of behavior and discipline policies and school council policies.

HB 331 Requires Automated External Defibrillators in Schools

Requires school councils to amend their emergency plan to include a written cardiac emergency response plan and distribute to all staff; requires school council to maintain a portable automated external defibrillator in every middle and high school building and, as funds become available, at middle and high school athletic practices and competitions; development of an event-specific emergency action plan for each school sanctioned nonathletic event held off-campus to be used during a medical emergency.

LAWS THAT ARE FYI FOR SCHOOLS

SB 3 Liability Insurance Coverage for Certified Employees

Establishes the Educators Employment Liability Insurance Program to provide excess liability coverage for certified employees of public schools; requires a district to provide each certified employee with primary liability insurance.

SB 7 Prohibit Automatic Payroll Deductions Union Dues Emergency*

The new law will stop automatic payroll deductions for members' dues for multiple types of public employee unions, such as teachers' unions, with the exception of police and firefighter organizations which were exempted.

SB 9 Crime of Hazing a Student

Creates a new felony and a new misdemeanor relating to hazing of a student by a student organization such as a fraternity or sorority; students could lose KEES scholarship eligibility if convicted of hazing; the Act is referred to as Lofton's Law.

SB 25 Accountability System Emergency*

Amends Accountability System to include achieving three hours of dual credit or qualifying for three hours of post-secondary articulated credit as a post-secondary readiness indicator.

SB 49 Extends Time to Hold Teacher Provisional Certification Emergency*

Amends law relating to alternative methods of teacher certification to increase the time period for a person to renew a teaching provisional certification from two to four years for Option 6 and Option 7 (for a total of five years.)

SB 70 Pilot Program Performance Based Professional Development

Extends dates of the performance-based professional development pilot through the 2025-2026 school year; requires the Kentucky Department of Education to report on the project by August 1, 2027.

SB 107 KDE Commissioner and KBE Nominating Committee Emergency*

Limits the KDE Commissioner to a 4 year term but can be reappointed subject to Senate confirmation.

HB 32 Hire Classified Staff Emergency*

Allows hiring classified personnel without a high school diploma or equivalent if the district provides employee opportunity to obtain an equivalency diploma at no cost to the employee.

HB 547 First Amendment School Personnel

Prohibits a school district from punishing an employee for engaging in private religious expression otherwise protected by the First Amendment absent a showing of engaging in actual coercion; provides specific examples of protected activity.

HB 319 Teacher Shortages

Adopts the Interstate Teacher Mobility Compact making it easier for teachers in any eligible state to receive a Kentucky license (ten states must adopt the Compact before it takes effect); requires exit surveys for school personnel who voluntarily leave the district; creates an online statewide posting system for school job openings called Kentucky Educator Placement Service System.

OTHER LAWS

HB 1 Reduce Kentucky State Income Tax

Reduces Kentucky's state income tax to 4.5 % for 2023 and 4% effective January 2024.

How to I remove a fine of a student who is still in my district, but no longer in the school the fine was assessed at? I am the district librarian, so I have access to all schools as far as students go. They have handed out fees at our high school, but the library fees were assessed at our middle school. When I go to fine history, I cannot mark paid or cannot remove the fine. TIA!

Open a full inventory. Then open an area specific inventory for each sublocation. As you update one section it will update your full at the same time.

Cordless scanner.

More than one person scanning at a time.

I love inventory so maybe the only thing making it less painful is acceptance!! LOL

Hey friends,
I just made a second side for these where students can write the titles of the books they are missing! I thought it might come in handy. Have a great weekend!
